

# You can help Beaty when you buy groceries!!!

Hello Friends of Beaty!

If you shop for groceries, then you can help Beaty! Albertsons, Kroger, and Tom Thumb all have discount shopping programs. If you shop at one of the stores, then chances are you have one of these cards:

Did you know these programs also allow a portion of your purchase to go directly to Beaty? There is **no** additional cost to you and Beaty benefits from something that you are already doing.

It is so simple to get started.

If you shop at **Kroger**, all you need is their Kroger Share Card (this is different than the reward Kroger card you get from the store) to use every time you shop. When you are checking out, just hand the card to the cashier. They will scan it, and a portion of your grocery bill will go straight to Beaty! If you need additional share cards, please email [fundraising@beatypta.org](mailto:fundraising@beatypta.org) or call Jacque at 214-364-9411.

For **Albertsons** shoppers, you can download our flyer from this website which has the Beaty information already included. You can go online to <http://www.albertsons.com> to the Community Partner link, or you can turn it in to the Customer Service desk next time you are at the store. Beaty will then be linked to your card. Every time you use your Preferred Card, Beaty will benefit!

Are you a **Tom Thumb** shopper? Download our form from this website with our Beaty account number. Next time you are shopping, please take this form to the Customer Service desk, and ask them to link your Reward Card to our Beaty account. Every shopping trip helps our school!

If you shop at **Central Market**, please stop by the Beaty office. We have cards available for you to use. Just scan the card when you are checking out, and everyone wins!

Remember, the next time you are buying groceries, you could be giving Beaty a chance to make your child's educational experience even better!

**Help us raise funds the easy way ... link our school to your card today!**
